

Days of Prayer 'Praying with Blessed Francisco Marto'

From November 29 thru December 1, at the Shrine of Fatima there will take place days of prayer organized by the Movement of the Message of Fatima. Titled 'Praying with Francisco Marto', these days will be directed by the Jesuit priest Fr. Dário Pedroso. These Days are one more initiative of prayer promoted by this canonic association of faithful, whose By-laws have been approved by the Bishops Conference of Portugal, which organizes various activities of formation and apostolate. In 2009 the Movement of the Message of Fatima intends to continue to reflect on the testimony of Blessed Francisco. Thus, all the various activities of the Movement, next year, will be held under the general theme: 'Francisco Marto, Passion for Silence'.
